

### LOOKING FOR AN INSPIRING CAREER? JOIN KPMG

Over the past decades KPMG has developed into a leading worldwide professional services firm. This exceptional performance is the result of the tremendous efforts of our 1'650 employees spanning 45 different nationalities. To ensure our firm's future success, we are searching for individuals with outstanding qualifications and professional backgrounds. Are you willing to make the difference? Our company offers an environment, where commitment and dedication are valued and career progression opportunities can exceed your expectations. Moral integrity as well as strong teamwork are the key-factors for delivering highest quality services to our customers.

To you as a graduate, we represent a stepping stone for a career in the world of Audit, Tax and Advisory. You might join the field of Audit, which more than ever is focus of public interest. As a part of Tax or Advisory, you would be impelled and challenged from the very first day on. We are looking for people who do not tire of learning constantly, even at a high level.

KPMG is the first of the Big 4 companies to advance and become the largest and strongest fully integrated audit and advisory company in Europe. KPMG Europe LLP, the new organization, offers highly qualified employees attractive opportunities abroad and closer exchanges with international KPMG specialists. Opportunities to contribute your expertise and know-how to clients from top companies and to specialize within our organization on a Europe-wide level will also arise. As a graduate, you may get the chance to work on a cross-boarder project, if you wish. Thus far, the following countries are part of KPMG Europe LLP: United Kingdom, Germany, Switzerland, Spain, Belgium and the Netherlands.

Demanding and extremely enriching career opportunities available at KPMG – perhaps soon the next challenging and inspiring step you'll take!

**Interested? We look forward to hearing from you soon.**
